

Alien Species Awareness Program

## **BE AWARE**

*about the risks of intentional  
and accidental transportation  
of invasive alien species*

## **THINK**

*about what you can do  
to reduce risks when travelling*

## **TRAVEL**

*with awareness  
and safety*

*#lifeasap*

# DON'T LET THEM TRAVEL

*Go home only with emotions and memories*

- ✓ *Be aware about the risks posed by the introduction of invasive alien species*
- ✓ *Carefully **check** your luggage, shoes and clothes to be sure that you're not accidentally carrying invasive alien species with you*
- ✓ *When returning to your country, **do not take** any animals, plants and seeds that you may have collected during your trip*
- ✓ *If you want to buy plants, **be sure** they are not invasive alien species*
- ✓ ***Do not release** into the environments any plants or animals that you bought or accidentally transported with you*
- ✓ ***Inform** other travellers about the risks IAS pose and the measures you can take to prevent the introduction of invasive alien species*
